- The rest of the course will be inaccessible to spectators because of the mountainous terrain.
- You can head out on the **Blue Route** to watch your Mudder clear **Balls to the Wall**.
- After **Balls to the Wall**, head back along the **Blue Route** and take the **Red Route** to watch your Mudder go through **Funky Monkey** and **Everest**.
- Finally, you can watch **Electroshock Therapy** and the **Finish Chute** in the Mudder Village.

LEGIONNAIRES' LOOP
